

ALL SAINTS' LANDBEACH PARISH CHURCH

Come and visit All Saints', a beautiful historic Parish Church, dating from the 13th century, with a four bell tower. Here you will find a welcoming and generous Christian community and an invitation to join our church family. We hold varied services and other events. The church is accessible to all, with efficient heating, disability compliant facilities, and an area for informal meetings or children to play.

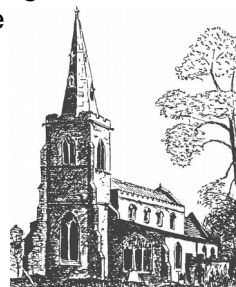

For families with children, an All-Age service on the first Sunday morning of each month is particularly suitable. We offer more traditional services of worship on other Sundays. There is the novel opportunity on the third Sunday for a short discussion over coffee when we can review and even challenge the preacher about the sermon he / she has just delivered. The topics for these sermons are announced in the monthly "What's On in Landbeach" magazine.

In the evenings, we offer a Book of Common Prayer service once a month, and a Taizé-style service in alternate months. Our United Bible Study Group meets on Tuesday evenings in the nearby Old School.

A bell-ringing band practises each week at All Saints', and rings also in other towers in the district. It welcomes new learners, and provides qualified tuition; please contact Barbara Le Gallez. A Coffee Morning is held on the first Saturday of each month, and a Painting & Drawing Group meets fortnightly on Wednesday mornings. We host a number of other events during the year, including concerts, a pudding evening, and an open day.

We share our Vicar with the Church of St John the Evangelist in Waterbeach. Baptisms (Christenings), Thanksgiving for the birth of a child, Funerals, and Weddings can be arranged; please contact our administrator. Pastoral visits can also be arranged. Should you have a more urgent need, please contact our Vicar directly (07903 904599).

Our regular services and other events, and details of our contacts are set out overleaf. We hope to welcome you here.

ALL SAINTS' LANDBEACH PARISH CHURCH
