What's On In Landbeach - June 2013

The first swallow was seen in Landbeach on 21st Apr. Spring started at last in early May, with summery early mornings and a loud dawn chorus. Sorry, my oak and ash were both out on the same day: 5th May. Then mid-May saw a mini-Ice Age, with cold N winds and hail showers. A female roe deer was spotted in a High Street garden and goldfinches are nesting in a back garden along Spaldings Lane. Items for July by Th 20th June, please. Landbeach Parish Council - Basic Life Support Course

Landbeach Parish Council have been given the opportunity for Village residents to participate in a basic life support course in Landbeach Village Hall. A Saturday morning between 10.00 a.m. and 1.00 p.m. has been proposed. We would like to attract as many people as possible: individuals, local groups as well as families with children are welcome to attend. At this stage we are trying to gauge the number of people that would be interested in this course. Manikins etc would be provided for individuals to practice on. The person taking the course is a very highly trained resuscitation officer at Papworth Hospital.

This would be a great opportunity for people to learn the basic life skills as we never know when they might be called upon. If this is something that you would be interested in could you please let the Parish Clerk know by phoning 01954 252400 or email her mariasylvester@hotmail.co.uk, with the number that would be attending.
