What's On In Landbeach - June 2014

This month, Brian Barber's drawing of 9 High St shows us Mabel's house before rebuilding. Check out the differences between this picture and the new, reconstructed house and let me know how many you find! Which style do you prefer – tumbledown charm or elegant convenience?

My ash leaves struggled out during the first week of May. There were swifts over Waterbeach station on 7th May, and now there are lots of them in the village – noisy little blighters they are, too! A short cold spell in mid-May brought a hail shower and night-time mist over the fields. The end of May saw alternating sun and thundery showers.

Items for July needed by Fri 20th June, please. Barbara Le Gallez, 113 Waterbeach Rd, 01223 860283, blegallez@yahoo.co.uk

CHAIRMAN NEEDED FOR VILLAGE HALL

Our Village Hall is regularly used by 14 groups, as well as being hired out for public functions and other events and forms an important part of village life.

As well as managing the lettings of the hall, the Landbeach Village Hall Management Committee organise fund raising events, the profits from which go towards any necessary upkeep and improvements. The hall has been run this way since it opened in 1936.

Colleen Dell expressed a desire to step down as Chairman of the Management Committee early in 2013, having held the post (at that point) for 6 years. The vacancy was therefore advertised and it is a great shame that after a further 12 months no volunteer has come forward.

The committee can only continue running in the short term without a Chairman and it is vital that someone steps forward to fill the role. Any person, young or old, new to the village or not, will be warmly welcomed and given any necessary help in the early stages by the outgoing Chairman.

Failure to find a new Chairman will result in a fundamental change to the way the hall is managed. It would be a pity if this happened after 78 years of being run as a charity, managed by volunteers dedicated to providing one of the essential focal points of the village.

Surely there is someone in the village who will step forward to save this essential enterprise in its current format.

For further information contact Robert Humphrey on 01223 863454 or Colleen Dell on 01223 860578.
