HOOP - Housing Options for Older People

A South Cambridgeshire District Council 6-month pilot project

https://hoop.eac.org.uk

Are you finding that your home is too large to manage, in poor condition or too far from friends or family and are not sure what to do? If so, you may be interested in an exciting new partnership with First Stop offering specialist housing information and advice to people aged over 65.

Cambridgeshire County Council is working with South Cambridgeshire District Council on a 6-month pilot project which has launched in South Cambridgeshire – HOOP (Housing Options for Older People).

The project offers specialist housing advice and support to older people. The customer journey starts with a questionnaire asking older people (over 65s) about their home and how it suits them. This can be completed on line or via a leaflet. The answers are then used to put people in touch with local housing options (sheltered housing, extra care schemes), support services and community groups that can provide a mixture of practical support and advice - with the aim of helping people to make informed choices about their housing and wellbeing at an early stage.

For more information, visit https://hoop.eac.org.uk

URGENT!
Volunteer drivers needed for
Beaches Community Car Scheme

Could you take a resident to a medical appointment or shopping trip?

The Beaches Community Car Scheme provides lifts for people who have no other means of getting to appointments or making other essential trips. The drivers and coordinators are all volunteers. They get a paid mileage allowance for the journeys. Drivers must be DBS checked and have the permission of their insurance companies.

The BCCS **cannot** operate unless there are enough volunteers. We have lost several recently as they retired or moved away and we are increasingly at risk of having to turn people away because there are not enough drivers. The scheme covers residents of Waterbeach, Landbeach and Horningsea. At present there are no drivers in Landbeach but a significant number of clients. If you are reading this and are a driver **please** consider whether you could help. You do not need to be available at any regular time each week and, if asked if you could do a journey, are at liberty to say you are not available.

If you would like to know more, ring the car scheme number 07807 875878 and leave a message and someone will call you back, or email m.dean@ntlworld.com

THANK YOU!
