What's On In Landbeach - November 2019

What's On's restaurant critic (i.e. me) recommends two local eateries for great food and service. Firstly, Taste of Goa on the A10 provided a lovely dinner for the Landbeach Bell Ringers and friends. Secondly, I at last made it to Herbie's American Diner on the A14 and was wowed by the amazing 1960 U.S. décor and the lovely food. As you can imagine, it was quite an adventure getting there through the roadworks in the dark!

Not a great October, weatherwise, although the trees are starting to display lovely golden colours. There were some splendid sunny days at the end of the month, but before that we had approximately one deluge per week. Those sunny days were matched by chilly nights, with ice on puddles and our first serious frosts. Cue a late-evening dash to get my houseplants back in from their summer holidays in the garden. After a short sojourn in the garage, they received a short back and sides and are now snuggled up indoors looking smugly out of the windows. Oh, would that I had an Aga to wake up to in the morning!

Here's a query for long-time residents – when did Landbeach and Waterbeach get electricity? A friend was told that, for Waterbeach, this was only the 1960s, which sounds unlikely. If you know, please tell me.

It's Remembrance Sunday this month. Do you remember the beautiful flower arrangements from last year? Here's a photo of the Nursing in WWI window. Looking forward to seeing this year's creations!

Items for Dec are needed by Wed 20th Nov, please. Barbara Le Gallez, 113 Waterbeach Rd, 01223 860283, blegallez@yahoo.co.uk

Waste Incinerator at Waterbeach – latest news

Amey's appeal against the County Council's refusal of their application to build an incinerator at their Waterbeach site starts on 5th Nov

Local group CBWIN opposes the application and requests your support
See https://www.cbwin.co.uk

Landbeach Tithe Barn News (Registered Charity Number 1167108)

Historic Tithe Barn secures National Lottery Support

The Tithe Barn Trust is ecstatic that they have secured a National Lottery Heritage Fund grant of £98,900, the final funds needed for the urgent repair works to begin on the unique timber frame Tithe Barn.

Made possible by money raised by National Lottery players, the grant will mean that a skilled team of craftsmen of Thatchers and Carpenters can set to work carefully restoring and repairing the building which is believed to date from the medieval period.

Tithe Barns are increasingly rare in the UK and ours is the only one remaining in Cambs with so many historic features including an elm timber frame, thatched roof, timber granary and brick threshing floor.

The Tithe Barn Trust is a small charity committed to saving and sympathetically restoring the Grade II Listed Tithe Barn. Key to the Tithe Barn Trust's charitable objective is maximising public access to the Tithe Barn and education, aiming to ensure that the Tithe Barn has a vibrant and sustainable future. As part of this, the National Lottery Heritage Fund grant will be used to deliver a programme of activities for the public, including hard hat tours, thatching demonstrations, school visits and trial events such as a farmer's market and art exhibition.

Keep checking www.tithebarntrust.org.uk to find out more, and see p.3

Free admission to all our events, but of course donations are welcome towards the restoration of the Tithe Barn. Thank you for your support.

Tithe Barn entrance opposite 2 Waterbeach Rd, Landbeach, CB25 9FA

or email Claire via busytots1@hotmail.co.uk

Produce of Landbeach – a topic for discussion

What would the slogan "Produce of Landbeach" mean to you? To me it means the idea of Landbeach residents selling their produce (mainly food but could also be items you have made) directly to each other. This could be done by barter as well as monetary exchange. For example, if you have fruit trees, you could swap the right to pick your fruit for a delicious pie! Equally, we could share information on shops where produce of Landbeach can bought. Exchanging this sort of information would enable us to choose produce that was high welfare and low food-miles. Do let me know if you think this could be made to work.

Barbara Le Gallez
